Outline of Service Provided	<p>The FAST programme is due to be delivered from Sept 09 and will initially start as a pilot programme in one of Rotherham's Primary Schools. The group will initially be offered to the parents/carers of two identified year groups and will look at building up community resources and bringing together a wide range of people / services within the community. The group works with the whole family including all the children within the close family</p>
Referral	<p>Places on the programme will be offered to all parents of the targeted year groups. Only families with children at Catcliffe Primary can attend</p>
Restrictions on work carried out e.g. age group/funding/geographical area	<p>The group will run for 8 weeks but continued meetings will be encouraged.</p> <p>It is hoped that the FAST Programme will be rolled out across Rotherham schools in time.</p>
