

Information Sheet

| | |
|---|---|
| Agency/Sector | Physiotherapy Service |
| Contact details | Claire Oliver, Clinical Team Lead Child Development centre Rotherham General Hospital Moorgate Road Rotherham S60 2UD 01709 308859 |
| Outline of Service Provided | The Physiotherapy Team specialises in assessing and treating children who have neurological/ neuromuscular conditions resulting in delayed or impaired physical movement and function (including Developmental Delay). Following the assessment individual treatment sessions, and programmes, are provided to encourage the child to reach their maximum movement potential. We also form part of the CDC Multidisciplinary Team. |
| Referral | Via Consultants, GP's, School Doctors, Health Visitors |
| Restrictions on work carried out e.g. age group/funding/ geographical area | Children from birth to school leaving age in the Rotherham area. Support is given to those who are moving towards adult services. |
| Date compiled | August 2009 |
