Information Topic	Managed Move
Source of Information	Department for Children Schools and Families:- (This Government Dept is now the Dept of Education) Improving Behaviour and Attendance: Guidance on Exclusions from Schools and Pupil Referral Units 2008
Details of Topic	<p>A managed move to another school is to enable the pupil to have a fresh start in a new school. The head teacher may ask another head teacher to admit the pupil. This should only be done with the full knowledge and co-operation of all the parties involved, including the parents, governors and the Local Authority, and in circumstances where it is in the best interests of the pupil concerned. In order fully to address the pupil's difficulties it may be helpful for schools within an area to have a protocol in place and to have a full support package in place for the pupil. Parents should never be pressured into removing their child from the school under threat of a permanent exclusion, nor should pupils' names be deleted from the school roll on disciplinary grounds unless the formal permanent exclusion procedures set out in statute and in this guidance have been adhered to or unless a managed move has been agreed by all the relevant parties (see section on unofficial exclusions in paragraphs 27-30 of this guidance).</p>
